## YEAR-ROUND

## SEASONAL AVAILABILITY

### Long Trail Ale®

First brewed in 1989, Long Trail Ale is the largest selling craft beer in Vermont! Our top fermenting yeast and cold finishing temperature results in a complex, yet clean, full flavor.

### Blackbeary Wheat®

This light and refreshing American Wheat beer is a real thirst quencher! With only 6 grams of carbs, 125 calories and 0 fat, it's perfect for the health-conscious.

### Pale Ale

This classic English style pale ale features a modest malt body and a well-balanced citrus, pine hop aroma. Our Pale Ale is lightly filtered to provide a delightful robust flavor experience.

### Double Bag®

This Strong Ale has a 7.2% ABV, so please indulge in moderation. First offered as a treat to brewery visitors and continues to *udderly* satisfy to this day!

### Traditional IPA

This brew is unfiltered, as were the original IPA's of the British Empire. Celebrate tradition with us!

## Spring

### Pollenator

Pollenator is a crisp, refreshing golden ale. It has a light body and a delicious balance of sweet caramel malt and spicy Willamette hops.

## Summer

### Belgian White Ale

Soft notes of citrus & spices are topped with a light fluffy head that finishes clean & crisp. This all natural ale is our latest seasonal brew, perfect for lounging lake-side or celebrating at trails end...ENJOY!

## Autumn

### Harvest®

In celebration of the autumn harvest we've brewed this brown ale with locally harvested Vermont ingredients...a truly unique Taste of Vermont!

## Winter

### Hibernator®

The rich malt character of our Scottish Ale is achieved by blending six malts. Two noble hop additions yield complexity & balance.
